Enrichment Opportunities

It is our objective to enrich the learners' overall skills with excellence. We would like to give them the opportunity to develop 21st Century skills to exist and contribute in a competitive world, where they express themselves creatively and with confidence. We have learnt the value of partnering with successful companies who work with the best schools across the world.

We will from time to time inform you as the year progresses what additional opportunities for growth and enrichment we want to offer your children. This will have financial implications. We ask that you plan for these. (We do our best to ensure that this will not exceed R500 per annum)

School Camp: (Held over a weekend in October)

Grades 5-7

Initiated in 2024, we will continue to strive to give our learners exceptional opportunities to develop themselves into well-rounded young people who understand their place in the world. The camp fees cost on average R2500 per learner. This includes meals, accommodation and transportation. We will endeavour to keep fees affordable and raise funds to support those who need financial assistance.
