SLIPPER DAY

Our learners had an absolutely wonderful time celebrating Slipper Day at school! The excitement was evident as everyone arrived in their cozy slippers, ready to enjoy the activities and snacks prepared by their teachers.

UPCOMING EVENTS

* Wacky Wednesday

Learners are invited to come to school with their craziest, funniest and most creative hairstyles.

* Market week: Entrepreneurship

Learners will have the opportunity to learn about buying, selling, and handling money in a fun and interactive way. This exciting event helps develop valuable life skills while encouraging confidence, communication and creativity.

INTERNATIONAL DAY OF PLAY

Our learners had a fantastic time celebrating International Day of Play. The day was filled with fun, laughter, creativity and exciting activities that encouraged learning through play.

Through a variety of play-based experiences, learners developed important skills such as teamwork, communication, problem-solving, and imagination.

International Day of Play reminds us of the important role that play has in a child's development and overall well-being. We are proud to have provided our learners with a day that celebrated the power of play and the happiness it brings.

Message from the Principal

At our school, we strive to create a nurturing environment where every child feels valued, encouraged, and inspired to reach their full potential. We are proud of the progress our learners continue to make and appreciate the partnership we share with our parents in supporting their educational journey.

SILLY SOCKS

Our learners had so much fun showing off their colourful and silly socks! The day was filled with excitement as everyone proudly displayed their unique sock choices.

TERM 3 THEMES

* BUTTERFLIES & LADYBIRDS

OFF TO WORK

In Term 3, our learners will be exploring the theme "OFF TO WORK". Through a variety of fun and engaging activities, they will learn about different occupations and the important jobs people do everyday.

* CATERPILLARS & BUSY BEES

During Term 3, our learners will be exploring the themes of Community Helpers, Road Safety, and Dental Health.

Learners will learn about the important roles people play in our communities, how to stay safe on and around roads, and the importance of caring for their teeth and maintaining good oral hygiene. We look forward to engaging activities, discussions, and hands-on learning experiences that will help our learners develop valuable life skills and knowledge.

CAPE TOWN SCIENCE CENTER

Our Busy Bees, Ladybirds, and Butterflies had an exciting and educational outing to the Science Centre this term. The learners enjoyed exploring the interactive exhibits, taking part in hands-on activities, and discovering fascinating scientific concepts in a fun and engaging way. The outing provided a wonderful opportunity for learning beyond the classroom, sparking curiosity and encouraging a love for science. We are proud of how well our learners represented the school and thank all the parents for their support in making this memorable experience possible.

END OF TERM 2

As we come to the end of another wonderful term, we would like to thank all our parents and learners for their support, enthusiasm, and participation throughout Term 2.

Please note that the school will remain open during the holidays for Holiday Care. We look forward to welcoming learners who will be attending.

Term 3 will officially begin on Tuesday, 21 July 2026. We wish all our families a safe, happy, and restful holiday and look forward to seeing everyone back for an exciting new term.
