Rural Child Book Sale

Our learners once again enjoyed the Rural Child Book Sale, a wonderful opportunity for them to explore the joy of reading in a meaningful and exciting way. The children were able to browse through a variety of books, choose the ones that interested them most, and experience the pride of buying their very own books. The sale created a happy and encouraging atmosphere, reminding our learners that books can open doors to imagination, knowledge and lifelong learning. It was a special experience that helped nurture their love for reading while giving them the chance to make independent choices.

The Children's Book Sales were R4,230 and the school purchased R2000. Our contribution to the Rural Child was R6230.

Well done!

Lucky Lates

We are pleased to offer Lucky Lates every Tuesday after school. These extra classes are designed to support our learners with additional practice in English and Maths. We encourage learners to attend and make the most of this opportunity to strengthen their skills.

A heartfelt thank you to our dedicated teachers for giving of their time and care to help our learners grow and succeed.

Principal's Message

Dear Parents and Guardians,

We are reaching fever pitch as our concert evening is drawing closer. Learners are excited with their costumes and dance routines and the staff are trying to stay composed.

Besides the concert preparations, we are also preparing learners for their formal assessments which happens immediately after the concert. I would request that parents ensure that their children attend school regularly. The absentee rate is too high. Regarding staff matters, I would like to congratulate some of our staff on completing the First Aid course successfully.

In conclusion, thank you parents for instilling in your child good manners and etiquette. Often our guests comment on our learners and their pleasant mannerisms.

Greetings once again and stay safe.

Warm regards,

Mr. Reza Abader
Principal
