Concert Flash Backs

Our learners hard at work during concert rehearsals, practising their parts. It has been lovely to see their confidence grow.

On the day of the concert

A big thank you to our amazing staff for preparing the stage and hall for the concert. Your hard work helped make the event special!.

Ready, Set, Showtime!

It was wonderful to see the learners excitement, teamwork and enthusiasm as they shared their special performance.

Recycle

Exciting news! Our Grade 7 class has started their School Recycling Scheme on the 31 August! ♻️

Recyclables were collected to help keep our environment clean, save resources, reduce pollution, and raise funds.

They collected the black bags from each class and sorted the waste into four recycling categories: paper, plastic, metals, and organic waste. Over the next three weeks, they helped keep our environment clean, reduce pollution, save resources, and raise funds.

Thank you Grade 7's & Teachers!

From classroom learning to real-world action

Grade 7 turned learning into action by delivering the school's collected recyclables to the local recycling centre. They discovered how waste can be reused and later shared their recycling journey with the whole school at assembly—proving that small actions can create a cleaner, greener future! ♻️🌍

Administrators Day

Career Dress Up Day

Dream Big, Dress the Part! 🌟

Career Dress-Up Day was bursting with big dreams and bright futures! Our learners arrived dressed as the professionals they hope to become, filling the school with creativity, confidence and inspiration.

Our staff joined the fun by dressing up to share their dreams too! Ha Ha! Staff also wore black in solidarity with the fight against gender-based violence, adding a meaningful message of unity and support to the day. 🌟🖤

Market Day

Grs 4-7

SHOPPING DAY

Entrepreneurs Day – A Huge Success!

Our learners thoroughly enjoyed their entrepreneurial experience! They loved shopping and spending their money on various items and games on offer.The hit of the day was definitely the squishies and the waffle on a stick!A big thank you to all the parents who contributed and supported to make the day so fantastic.

Boerie Day

A Taste of Heritage! 🇿🇦🔥

In celebration of National Heritage Day and Braai Day, we held our very own Boerie Day on Tuesday, 22 September 2026! Our Grade 4 learners had a fantastic time learning how to braai, with Uncle Nigel happily sharing his skills and making the day extra special. What a fun and proudly South African experience! 🌭🔥

Principal's Message

Dear Parents and Guardians,

It has been wonderful to see our learners embracing every opportunity to learn, grow and make a difference. To our learners and families, keep believing in yourselves and supporting one another. A heartfelt thank-you to our dedicated staff and the entire school community for making each school day meaningful. Enjoy a well-deserved break. Rest, stay safe and recharge, and return refreshed and ready for a fantastic fourth term!

Warm regards,
Mr. Reza Abader
Principal

Projects

Grade 7 building an Electromagnetic Crane model for Technology Project 👷

Assessments

Grade 3 Visual Arts Planet project

Assessments

Grade 5 put their electricity knowledge to the test by building their own circuits in NST! 🔌💡

As we welcome October, let us encourage our learners to embrace every challenge, keep growing and believe in the exciting possibilities ahead. "Like spring blossoms, may October inspire you to grow, flourish and reach for new possibilities."
